### Medicaid Program Remittance of County Share of Matching Funds Law Change Effective July 1, 2013

Effective July 1, 2013, Chapter 2013-048, Laws of Florida, transferred the responsibility to collect the county share of costs for Medicaid recipients from the Florida Agency for Health Care Administration to the Florida Department of Revenue. Although the State is responsible for the full portion of the state share of the matching funds required for the Medicaid program, the state is required to charge the counties an annual contribution in order to acquire a certain portion of these funds.

For the 2013/14 state fiscal year, the total amount of the counties annual contribution is \$269.6 million. Alachua County's annual contribution is \$ 3,445,488.00 , with a monthly allocation of \$ 287,124.00 , which is due to the Department of Revenue by the 5<sup>th</sup> day of each month. If the county fails to remit the payment, the Department will reduce the monthly distribution to the county pursuant to Section 218.61, Florida Statutes, (Half-Cent); and if necessary, the distribution to the county pursuant to Section 218.26, Florida Statutes, (Revenue Sharing).

In order to assist and facilitate the processing of your monthly remittance, we have developed an internet page for your county to submit its payments electronically. This application will be available July 1, 2013. Please follow the instructions below using the User ID and password provided.
