The Alachua County Board of County Commissioners met for a General Policy Discussion.

PRESENT: Chair Ken Cornell, presiding, Vice-Chair Lee Pinkoson, Commissioners Mike Byerly, Charles S. "Chuck" Chestnut, IV, and Robert "Hutch" Hutchinson

ALSO PRESENT: County Manager Lee Niblock, County Attorney Michele Lieberman, Deputy Clerk

The meeting was televised on Cox Cable Channel 12.

Chair Cornell opened the meeting at 10:00 a.m.

Approval of Agenda

1. Approve the agenda

Fiscal Consideration: N/A

Recommended Action: A Motion to Approve the Agenda: (a) approves any amendments to the Agenda; and (b) adopts the Agenda.

Commissioner Hutchinson moved adoption of the agenda with the following amendments:

1. To recognize Alachua County Sheriff Darnell first to present comments.
2. After the Sheriff hear a presentation regarding contaminated soil.
3. Add an item regarding the extension of the Burn Ban.

The motion carried 4-0 with Commissioner Byerly out of the room.

Commissioner Byerly entered at 10:02 p.m.

Alachua County Sheriff Sadie Darnell presented comments regarding the Florida Sheriff's Association opposition to the new Homestead Exemption proposal. She stated that the organization's members are working diligently to garner support against the bill.

Tuesday, May 2, 2017 – 10:00 A.M.

Sheriff Darnell also advised the Board that there is an immigration story that will be airing on CNN regarding the Sheriff's Office stance on immigration enforcement policy.

Sheriff Darnell stated that she provided her certified budget to the County early as requested by the County Manager. She is concerned that decisions have been made regarding funding priorities. She would request that the Board not make any decisions until the Constitutional Officers have a chance to present their budget requests.

County Manager Niblock advised the Sheriff that there have been no decisions made regarding funding priorities at this time. His staff is still in the beginning stages of reviewing the requested budgets. The reason for requesting the budgets be submitted early is to allow the Board more time to consider the budget matters.

Commissioner Hutchinson, Chair Cornell, County Manager Niblock, and Sheriff Darnell presented comments.

ADDED ITEM:

Soil Contamination

Mr. David O'Keefe and Ms. Joni Ellis stated that manure received from a local distributor seems to be contaminated with an herbicide that is damaging local gardens. They expressed concerns that the product is still being sold to unsuspecting customers who will use the product.

Commissioner Pinkoson and EPD Director Chris Bird presented comments.

Dean and Director of UF IFAS Extension Dr. Nick Place stated that the herbicide in question was used on an IFAS Field and that the manure was donated to a local distributor. He stated that IFAS has notified the proper entities of the matter and is working to determine where the manure was distributed to.

Dr. Jason Ferrell provided information regarding the effects of the herbicide. He stated that the potency of the herbicide is weak at this point. However, certain crops are especially susceptible to the product such as tomatoes and beans. Other crops such as melons and corn are not affected by the herbicide.

Commissioner Byerly requested IFAS determine where the manure was donated to and make that information available to the public so that they can make an informed decision.

Commissioner Hutchinson moved to refer to the County Manager to work with the Environmental Protection Department, University of Florida IFAS, and the

8. Commission Comments

Fiscal Consideration: N/A

Recommended Action: Hear Commission comments.

Commissioner Byerly discussed the funding request for a new Floor at the County Tipping Floor at the County Transfer Station.

Commissioner Byerly further stated that he has been traveling the County to research water quality projects. He stated that he has seen several locations where Best Management practices for cattle operations are not being followed. He stated there are several cattle grazing fields that have not fenced off creeks and water bodies as required and he would like the County to take the steps necessary to bring the operations into compliance.

Commissioner Byerly moved to refer to staff the task of identifying water bodies that should be protected by Best Management Practices but are not and return to the Board. The motion carried 5-0.

Commissioner Byerly also advised the Board that in his travels around the County he has found several roads that are being maintained at public expense that are essentially a drive way for a few homes. He would like to investigate the possibility of vacating the roads.

County Attorney Lieberman stated that there are a few different possible situations that could exist at these locations. She would like to speak with Commissioner Byerly about specific locations to determine if these roads fall under certain scenarios.

By Consensus the Board agreed to schedule this matter at the Board's next Policy Discussion.

There being no further business before the Board the meeting was adjourned at 1:49 p.m.
