Fiscal Consideration: An increase in the County's contribution to the High Springs TIF in FY21 was not budgeted. The estimated impact to the general fund if the Board proceeds with this direction is estimated to be \$31,047.

In FY2019-2020, Alachua County budgeted Ad Valorem Taxes of \$88,760 to City of High Springs CRA. This amount represents 95% of 5.88 mills from Alachua County. The adopted BoCC High Springs CRA budget transfer for FY2020-2021 is \$90,659 at 5.88 mills. This amount is subject to verification with the Property Appraiser's certified tax rolls due in late October 2020.

43. [20-1051](#) Special Assessment District for NW 180th Street roadway improvement

Fiscal Consideration: This is first step in assessment process and these preliminary costs should be covered with the application fee received. If the property owner interest poll exceeds the required percentage and the Board approves the notice of intent, the construction costs and financing costs would be identified at that point with the most likely funding source being the Gas Tax Fund (Fund 149).

The Assessment would not be incurred until at least November 2021 for fiscal year 2022, though the Department may be able to get the work completed in FY21, prior to the implementation of the assessment, if the Fund can handle the costs. The updated costs would be brought back to the Board before this assessment is adopted.

Recommended Action: Direct County staff to proceed with the establishment of a Special Assessment District, conduct a Property Owner Interest Poll and define the area to be included within the Special Assessment District as Lots 1 through 8, Candlewood Estates, according to the plat thereof recorded in Plat Book H, Page 71, of the Public Records of Alachua County, Florida.

Fiscal Consideration: The Interlocal Agreement for recycling processing is on a sliding scale based on blended market price. When the blended market price is high, there is revenue sharing with the County paying the City (400.76.7660.534.52.00) but when the market price is low, the City has to pay the County a processing fee (400.76.7660.369.5000). The market has been low so the FY21 Budget is projecting revenues for FY21.
